

ROYALTI FORM LLC

Limited Liability Company “ROYALTI FORM” is a young and promising company whose main activity is wholesale trade in chemical products, in particular, soda liquid and granular soda, soda ash, sulfuric acid, hydrazine hydrate, sodium hypochlorite, industrial oils, hydraulic, transmission oils, motor oils.

Despite the fact that the company was founded in March 2017, in two years of its economic activity, it reached a dynamic development in the stated areas.

ROYALTI FORM LLC has all the necessary licenses and permits for doing business and trading in chemical products. Our company delivers only quality product to the buyer. Over the years of our activity, we have not had a single precedent of a claim or judicial nature related to the fulfillment of our obligations, within the framework of economic activity.

One of the regular and main suppliers of chemical products for our company is KARPATNEFTEHIM LLC, with which our company has been involved in partnership relations from the very beginning of its activity. Ukraine’s largest petrochemical complex, the only producer of ethylene, propylene, petroleum benzene, fraction C9, polyethylene, suspension PVC in the country. Also, the company produces caustic soda, sales of which are carried out through our company.

In general, the counterparties of LLC ROYALTI FORM are companies that are consumers of chemical products of large and medium-sized businesses of various forms of ownership.

ROYALTI FORM LLC provides raw materials for almost all producers of sulfuric acid and thermal power in the market of Ukraine. Our company permanently cooperates and acts as a supplier of chemical products for such counterparties as the groups of companies DTEK and METINVEST, ARCELORMITTAL, PJSC “AZOT”, PJSC “SUMIHIMPROM”, PJSC “SEVERODONETSK ASSOCIATION OF AZOT”, PJSC “RIVNEAZOT”, PJSC “AKHZ”, PJSC “YUZHKOCS”, LLC “EURORECONSTRUKTSIYA”, LLC “TEKHNNOVA”, PJSC “CHERKASSY CHEMVOLOKNO”, JSC “DNEPRAZOT”, PJSC “KIEV CARDBOARD AND PAPER MILL” and others.

ROYALTI FORM LLC is the winner of numerous tenders and auctions for the supply of chemical products to legal entities of state, private and other forms of ownership.

The company independently carries out logistics and delivery of goods to the buyer. To date, the use of ROYALTI FORM LLC has both its own and leased fleet of railway tanks and wagons for transportation of chemical products. In the near future it is planned to purchase special cargo vehicles for these purposes.

The activity of our company is focused on both the domestic and the external market. ROYALTI FORM LLC is engaged in productive export trade with the Slovak Republic (BUKOZA CARDBOARD AND PAPERBOARD) and the Republic of Moldova (POLICONTRACT SRL). The company's management is actively negotiating with the aim of cooperation with contractors of the Republic of Belarus, Poland, Austria and other countries.

The company's staff consists of professionals in their field, each employee has many years of experience and experience in the field of trade in chemical products.

Employees of the company regularly undergo refresher courses, take part in various forums and exhibitions, both in Ukraine and abroad. Every month the number of established units of the company is growing due to its rapid development.

In the course of its activities, ROYALTI FORM LLC has established itself as a reliable business partner and a promising player in the field of trade.

Since, with each month, the number of clients of the company and sales volumes grow, we actively develop and are aimed at expanding the geography and areas of activity of our company.

With respect and hope for cooperation,

Director
ROYALTI FORM LLC
